

As an experienced journalist with a career spanning over three decades, I can without the slightest hesitation wholeheartedly recommend Tereza to further study journalism or any other film and media related programmes. She attended many training courses run by the Czech News Agency (CTK), e.g. How to shoot, edit and publish video, Photography for Reporters, The Art of Interview or Creative Writing. She proved to be bright, talented and creative, always keen to learn something new. I am convinced Tereza would be an excellent asset to your school.
